With over 20 years of experience and a proven track record working with some of the nation's most successful and influential organizations, we've become a trusted partner for companies seeking transformative leadership. We understand that the right leader doesn't just fill a role—they drive growth, inspire teams, and deliver results. Trust us to deliver leaders who align with your vision and elevate your organization.

Direct Hire

Every business needs mid-management professionals who can execute strategy and lead teams effectively. But finding those candidates can be time-consuming and difficult. Our Direct Hire division simplifies the process by connecting you with pre-qualified and high-performing talent. Drawing from an extensive network of active and passive candidates, we work quickly to provide the right fit for your unique needs. With industry-specific expertise and a consultative approach, we ensure you can focus on your goals while we handle the heavy lifting of recruitment.

Our Search Plans

Retained Search

Our retained search service offers a personalized and attentive recruitment solution, ideal for sourcing and recruiting candidates for executive-level and specialized roles. Payment is divided into three parts: an initial deposit is due at contract signing, an installment after 30 days, and the final installment upon search completion.

Priority Search

Unique to Search Solution Group, our priority search is a blend of contingent and retained search. A small engagement fee is charged upfront, followed by the net fee due when a position is filled. This search is recommended for industry-specific and high-priority positions.

Contingent Search

Contingent search offers a flexible solution for general hires across an organization. This search is also accompanied by a simplified payment structure, requiring a one-time payment upon placement.

	Retained	Priority	Contingent
Search Difficulty	High	High/Medium	Medium
Recruitment Team	Large	Large/Medium	Medium
Payment Structure	3 Installments	2 Installments	1 Installment
Upfront Fee	✓	✓	✗
Replacement Guarantee	✓	✓	✓

Our Search Methodology

Over the years, Search Solution Group has created a four-step search methodology to ensure that all of our client's needs are delivered in a timely fashion and that their expectations are met.

01

Source

We begin each search with a tailored sourcing strategy. Our recruiters employ a blend of traditional recruitment methods, targeted **headhunting**, and the use of our extensive talent network of 1.6 million professionals to find top candidates nationwide.

02

Screen

We thoroughly evaluate candidates through pre-screening, interviews, and assessments. After careful review and team interviews, only the top 7% are presented to our clients.

03

Evaluate

We collaborate with your team to review and discuss detailed profiles of our selected candidates. These profiles can include assessments of the candidate's skills, background, behavior, and compatibility with your team and company.

04

Deliver

Once a candidate is selected, we arrange all closing details, such as the start date, onboarding, and the facilitation of any last-minute questions or concerns.
